**DECLARATION OF KATHERINE J. ELLENA**

I, Katherine J. Ellena, declare:

1. I am an attorney with Reed Smith, LLP and counsel for Defendant Rokoko Electronics (“Defendant”). I have personal knowledge of the following facts and, if called as a witness, I could and would testify competently thereto.

2. I submit this declaration in support of Defendant’s *Ex Parte* Application For Additional Time To Plead Or Otherwise Respond To Plaintiff’s Complaint.

3. Plaintiff’s Complaint consists of 256 pages of allegations and fourteen separate causes of action, including without limitation, fraudulent concealment, unconscionable contract terms, intellectual property infringement, and deceptive business practices. Given the seriousness of the allegations and the volume of the Complaint, Defendant requires additional time to evaluate the factual and legal merits of the Complaint.

4. Defendant is considering filing a motion to dismiss some, or all, of the causes of action asserted in the Complaint on various grounds, including failure to state a claim and statutes of limitations which, if granted, could substantially narrow or resolve the action.

5. On June 12 and June 13, 2025, I instructed my colleague, Emily Graue, to call and email Plaintiff to request his consent to a stipulation of time to respond to the Complaint. She did not receive an answer. Attached hereto as **Exhibit 1** is a true and correct copy of Ms. Graue’s email to Mr. Walsh.

6. On June 13, 2025, Plaintiff informed my office through a phone call that he intended to oppose any motion for enlargement of time. Ms. Graue informed me that Plaintiff stated to her on the phone that he “is going to oppose pretty much everything.”

1 7. After the phone conversation, Mr. Walsh responded to Ms. Graue’s email, but did not  
2 address the Motion for the Enlargement of Time. Instead stating his plan to file for Remand to the  
3 state court. See Exhibit 1.

4 8. Pursuant to L.R. 7-19, notice of this *ex parte* application was provided on June 16, 2025  
5 via phone and email. Upon filing of this *ex parte* application, I will email a copy of the filed application  
6 and have copies delivered to Mr. Walsh at 19197 Golden Valley Rd. #333, Santa Clarita, CA 91387,  
7 the address listed for him in the Complaint. When Plaintiff was notified, he indicated that he would  
8 oppose this motion. Attached hereto as **Exhibit 2** is a true and correct copy of his response.  
9

10 9. Defendant removed this case to the Central District of California on June 12, 2025.

11 10. This is the first *ex parte* application and request for an extension of time Defendant has  
12 filed in this lawsuit.

13  
14 I declare under penalty of perjury under the laws of the State of California and the United

Emily,

Although we spoke on the phone I am responding for the record.

I will be filing a motion to remand on the grounds that a response to the Complaint and removal are untimely and procedurally defective as a general appearance was made by Defendant on or about 5/5/2025 and as stated in 28 U.S.C. § 1446(b):

**“The notice of removal of a civil action or proceeding shall be filed within **30 days after the receipt by the defendant, through service or otherwise**”**

Further, jurisdiction is well established under 28 U.S.C. § 1446(c).

I seek to continue the case in state Court where it has already been in motion.

Thank you

Matthew R. Walsh

**Subject:** Rokoko Electronics - Motion for the Enlargement of Time Notice

Hi Matthew,

My name is Emily Graue, and I am an attorney at Reed Smith. We represent Rokoko Electronics. We will be filing a Notice of Removal of the case to federal court today as well as a Motion for the Enlargement of Time to Respond to the Complaint. We are asking for an additional 21 days to respond to the Complaint, which would make our response due July 10, 2025. We have attempted to call you twice and have not heard back, so we wanted to reach out to see if you

would agree to the extension of time? These motions are regularly granted. Please let us know if you have any questions or would like to discuss further.

Best,

**Emily Graue**
